TESTING FACILITY

This report shall not be reproduced, unless in its entirety, without written approval from Cora Science, LLC. Test methods are performed in an accredited laboratory (ISO/IEC 17025:2017 #116374) or a registered outsourcing facility. Some test methods reported may be performed outside the L22-250 supplement scope. All test articles are analyzed as received and the results relate only to the specific sample of material or product analyzed.
